3349 Broadway, Cheektowaga, NY 14227

Living on a fixed income can lead to financial uncertainty for many seniors. Past obligations that were once easily met can become burdensome, leading to difficulty balancing the costs of your basic needs and debts, causing many seniors to feel undue stress and anxiety.

This clinic will:

- teach you your rights as a debtor
- empower you with the tools to stop collection attempts
- give you the knowledge to make educated decisions about your budget and your bills
- provide one-on-one time with an attorney or paralegal to discuss your personal questions or concerns regarding debt issues

Lunch will be available at Noon for a suggested donation of \$3.00.

RSVP is appreciated but not required by March 31, 2017, by calling

(716) 853-3087 x 248. Walk-ins also welcome.
